

During the day, campers spend their free time at the waterfront, on the sports fields or just relaxing in the serene environment.

Every evening our Rec Directors have an entertaining activity for campers – Minute to Win It themed competitions, skit night, and end of camp dance are a few of the offerings. And great time is spent preparing a menu of nutritionally balanced home-cooked meals for our campers.

Guest Speakers

Each year we are fortunate to bring in speakers that offer inspiration and guidance that campers apply to their training and life. Over the past few years our featured speakers have included:

About Granite State Running Camp

Our week long running camp specializes in training all types of runners - rookie, intermediate, and elite level - to reach their full potential. Experienced, championship level coaches and an enthusiastic training staff are ready to work with each runner to better their ability. And with a camper to staff ratio of 4:1, each camper receives personalized attention throughout the week.

Training runs are done on the scenic trails, quiet dirt roads, and soft surface rail trails throughout the area and every afternoon we finish the run and start our recovery by cooling off in the local streams and ponds. Running groups are based on each camper's fitness and competitiveness allowing them to train with other runners of similar ability in New Hampshire's picturesque Lake Sunapee Region.
